No child lost to the streets

# WE BELIEVE IN A WORLD WHERE NO CHILD EVER HAS TO LIVE ON THE STREETS

At Railway Children, we aim to reach vulnerable children found alone and at risk on the streets, and around railways, where they face abuse and exploitation.

They find themselves living on the streets because they've nowhere else to go and nobody to turn to.

**We stand for children, their childhoods and their futures.**

## Over 10,000 children survive on the streets of Tanzania

We work in Tanzania, where children alone on the streets are frequently regarded by society as a nuisance that must be tolerated - a 'problem' rather than vulnerable children who desperately need help and support.

Many are treated as criminals and locked up with adults, where they are subjected to further violence and sexual abuse.

**Our pioneering work enables us to get to children before the streets get to them.**

# OUR AIM FOR 2027 IS TO LEAVE NO CHILD BEHIND

Our new 2022-2027 strategy model focusses on four key action areas for change in order to protect the most vulnerable children, before, during and after they are alone and at risk on the streets:

1. Protecting vulnerable children and supporting their families.
2. Strengthening community responses.
3. Strengthening child protection systems and policies.
4. Invest in evidence building to establish programme models and practices that can be replicated.

At the heart of this is a focus and dedication to collaborating with others and the development of contextual safeguarding solutions, to protect all young people from harm and abuse.
